The ISO Grading Schedule

A Guide to Improving Your Community's Fire Protection Class

Recommended for:

Fire Department personnel
Building Code Officials
Communication Center officials
Water Utility officials

You have had your ISO evaluation completed and have the results. Now what? This course will take an in depth look at the grading schedule. If you are looking to improve your PPC score, this class will help you identify what is needed for that to happen.

The course is taught by Randy Downs, the Midwest Region manager for ISO. Local field representative, Irene Tiscareno, will also be in attendance. This course will be a great opportunity to understand how to improve the score for your community and gain a better understanding of the ISO process.
