

# Understanding the ISO PPC Rating System

A two-hour workshop is being held in Alpine, California

This presentation is designed to provide attendees with information needed to aid in the preparation of an ISO survey, based on the revised Fire Suppression Rating Schedule, and focusing on facilities, equipment, training, fire prevention, public safety education and fire investigation activities.

Presenters will be from ISO; this workshop will be an excellent opportunity to get your questions answered as you prepare for your department's next evaluation.
