

Batesville Fire Department Presents

The ISO Grading Schedule A Guide to Improving Your Community's Fire Protection Class

Recommended for:

Fire Department personnel

Building Code Officials

Communication Center officials

Water Utility officials

• • • •

You have had your ISO evaluation completed and have the results. Now what? This course will take an in depth look at the grading schedule. If you are looking to improve your PPC score, this class will help you identify what is needed for that to happen.

The course is taught by John Beard, the Senior Field Representative for Central and Southern Indiana. This course will be a great opportunity to understand how to improve the score for your community and gain a better understanding of the ISO process. **This class will also cover tanker shuttle evaluations and how to prepare for a tanker shuttle grading.**
