

Jamestown City Fire Department Presents

The ISO Grading Schedule A Guide to Improving Your Community's Fire Protection Class

Recommended for:

Fire Department personnel Building Code Officials

Communication Center officials Water Utility officials

In 2012 ISO updated their fire protection classification grading schedule. This course will introduce individuals to the grading schedule. The newest sections of the grading schedule, which include fire codes, fire investigations and public education, will also be discussed.

The course is taught by Randy Downs, the Midwest Region manager for ISO. Local field representatives for our area will also be in attendance. This course will be a great opportunity to improve the score for your community and gain a better understanding of the ISO process.
